

## Helping to make your bedroom special

The Halesworth Carpet Shop is delighted to announce a very welcome addition to our inspired selection of products for your home. A new range of exceptional quality divan beds and mattresses - to complement the beautiful carpets, rugs, natural floorings and handmade to order curtains and blinds that have been so popular with so many of our discerning customers.

**HALLMARK OF EXCELLENCE**  
We have carefully chosen a selection of products from two renowned companies whom we know can satisfy the exceptional standards of care, quality and service that have become our hallmark. And whilst there is a range of prices, we are very confident that every divan or mattress we sell offers excellent value for money, and the opportunity to rest more comfortably in your bedroom than ever before.

**HERITAGE BEDROOM BRANDS**  
**Sealy** and **Rest Assured**. Both are household names that have proved themselves part of the great British retail tradition, and the finest quality materials and manufacture are guaranteed.

**HAPPY TO HELP**  
Come and try us for size. Stretch out and relax in privacy to discover which particular bed feels just right for you. Modern mattresses offer more comfort and support than ever before, so if your existing bed has seen

better days, or if you are waking up with the aches and pains that unsupportive, non postural mattresses often promote, then we promise you a beautiful buying experience, and the best opportunity for a blissful nights sleep.

**HOME FROM HOME**  
Customers love the homely and relaxed feel of our shop – you are welcome to walk around, and ask questions to your hearts content, and to feel reassured that you'll be helped to make the best choice possible for your home.

We have a perfectly edited selection of the very best in luxury and durable carpets, and the natural floorings - sisal, jute, coir and seagrass that sit so beautifully in so many Suffolk homes. Also a fine array of alternative floor coverings including marmoleum and premium vinyls.

**HANDMADE TO ORDER**  
Our bespoke curtain and blinds service is also deservedly popular, so if you are thinking about an important purchase for your home, then our charming 16th century shop on Halesworth high street is the perfect destination.

**HERE'S TO THE FUTURE**  
We recognise that it is your valuable custom that will allow us to continue to thrive and to serve, so we look forward to welcoming you in-store soon.
